

*data*

UInt

The diagram shows a vertical rectangular container with a light gray gradient background. Inside the container, the word *data* is at the top. Below it is a white circle containing the text `UInt`. An arrow points from the left into the circle, and another arrow points from the circle to the right. Below the circle is the word *valid*. At the bottom is another white circle containing the text `Bool`. An arrow points from the left into the circle, and another arrow points from the circle to the right.

*valid*

Bool
